Grand Rapids, 8, Michigan

Phone LE - 40905

Wholesale, Spring, 1961

Early ordering will be appreciated, as orders will be filled in rotation as received. If ordering late, please indicate some second choices. We have many varieties in too small quantities for listing, so if there is something you wish that you do not see listed, just inquire. We might have as many as you want-- or some, anyway.

TERMS: Cash, or 50% cash, balance C.O.D. Please send 50¢ for packing if order is under \$5.00. Plants shipped by express collect. Small orders can be shipped by Parcel Post if postage is included; any amount in excess will be refunded. You may order 25 of one variety at the 100 rate.

Prices are for strong, outdoor-grown rooted divisions. All Chrysanthemum stock offered subject to prior sale, and crop conditions. Shipping will start as soon as weather permits. Usually the last of March or early April, and continues through June. Orders will be shipped as near as possible to the time wanted. Our field divisions are from plants carefully watched and rogued through the bloom season for anything not true to name or up to standard in appearance. We strive to send out healthy, true-to-name divisions, also to rectify, so far as possible, any errors.

The first letter after the name denotes the type of flower: D, Double; SD, Semi-double; S, Single. The second letter pertains to bloom season: VE, early September or late August; E, before Oct. 1; M, Oct. 1 to 15; L, Oct. 15 on. Dates are only approximate, as weather, time of planting, moisture, and amount of sunshine can all make a difference in the time of bloom.

Hardy "Mums"

	Per 10	100
ADORABLE, D-E. Clear, bright rose-pink	\$1.25	\$8.00
